

COMPLIANCE & AML DUE DILIGENCE FORM

When using funds originating from operations with CDP (e.g. when CDP acts as lender, co-lender, guarantor, counter-guarantor, investor or similar, hereinafter “CDP funds”), CDP requests counterparties and/or beneficiaries (hereinafter jointly “Entity”) to meet, acknowledge and agree with CDP’s principles and standards for preventing money laundering (“AML”), terrorism financing (“CFT”), tax avoidance, international sanctions (“IS”) and bribery and corruption (“ABC”). Those principles and standards inspire CDP policies and procedures and meet the most relevant and recognized international standards (e.g. FAFT Recommendations).

The information to be provided through the following document and the acknowledgement of the principles described therein will allow CDP to conduct an enhanced due diligence on persons and entities benefitting from CDP funds and will contribute to ensure CDP’s policies are respected by all relevant stakeholders.

The document consists of separate sections, which have to be filled according to the instructions provided:

Part I. Covenant of Compliance

- **Commitment to comply, when using CDP funds, with the relevant principles and standards** inspiring CDP’s policies and procedures set out in European Union and international legislation and best practices on anti-money laundering, combating terrorism financing, anti-bribery and corruption and international sanctions (as detailed in the Compliance policies, procedures and standards section);

Part II. Operation Details

- **Section 1 (Entity Details)** collects information necessary to identify the Entity benefitting from CDP funds;
- **Section 2 (Project details)**¹ collects information concerning the project which will be benefitting from CDP funds;

Part III. Compliance policies, procedures and standards

- **Section 1 (Anti-Money Laundering and Counter Terrorism Financing)**² collects information necessary to understand: (a) the AML/CFT jurisdiction and the quality of the supervisory regime to which the Entity benefitting from CDP funds is subject; (b) the AML internal policies and procedures it has adopted;
- **Section 2 (Tax Transparency)**³ collects information necessary to understand the standards the Entity endorses on compliance with the applicable national, European or international tax avoidance laws and principles;
- **Section 3 (International Sanctions)**⁴ collects information necessary to understand the standards the Entity endorses on International Sanctions;
- **Section 4 (Use of Proceeds)**⁵ collects information on the principles and standards the Entity will adopt when using CDP funds and the reporting standards on the use of proceeds;
- **Section 5 (Anti-Bribery and Corruption)** collects information necessary to understand the standards Entity endorses on anti-bribery and corruption.

Each Compliance policies, procedures and standards section filled according to instructions provided includes the principles and standards which the Entity benefitting from CDP funds is required to agree with and implement when using CDP funds, and which are part of the Covenant of Compliance.

Entity acknowledges and agrees that CDP may carry out checks aimed at verifying the validity and truthfulness of information and declarations provided in this form and require any further document and information it deem it necessary for such purposes.

¹ To be filled just for cases in which CDP supports Entity (i) participation in a project awarded through tender/concession or which entails recurring to sub-contractors and other third parties in project implementation or (ii) acquisition of companies and/or participations and/or business and other M&A operations.

² To be filled by Extra-EU Financial Institutions only.

³ To be filled just for operations for which the destination of CDP funds and/or project implementation is an Extra-UE country

⁴ To be filled by (i) Financial Institutions, (ii) Companies which have declared an aggregate exposure to Major Sanctioned Countries (MSC) equal or above 5% in the “MSC Questionnaire” – Aggregate exposure to Major Sanctioned Countries (MSC)” section of the CDD Form.

⁵ To be filled by Financial Institutions that will use CDP funds to finance underlying projects/final beneficiaries.

PART I. COVENANT OF COMPLIANCE

Without prejudice to any representations, warranties, undertakings or other statements given or agreed in contracts, in finance documents or in other related or similar documents, in the case that the Entity enters a contractual relationship with CDP,

- A) It represents that it acknowledges and agrees with the principles and standards set out in European Union and international legislation and best practices on anti-money laundering, tax avoidance, combating terrorism financing, anti-bribery and corruption and international sanctions (as recalled in the Compliance policies, procedures and standards sections filled according to instructions received) and, when using CDP funds, shall
- 1) implement and comply with the policies and procedures it has adopted to promote and ensure compliance with such principles and standards and constantly monitor and supervise their effective functioning;
 - 2) if it could not confirm it applies principles and standards listed in Part III of this Form, undertake actions needed to align its Compliance policies, procedures to such legislation and best practices, and inform CDP of specific issues in the implementation of such actions.
- B) By subscribing this Covenant of Compliance, therefore, when using CDP funds, it:
- 1) agrees to comply with this Covenant of Compliance and to inform CDP of any change or event which may have an impact on its validity and truthfulness;
 - 2) accepts to preserve these books and records relating to compliance with this Covenant of Compliance in accordance with applicable law and, in any case, for at least ten years from the date of substantial performance of the contract;
 - 3) grants CDP and any auditor or third party appointed by it, as well as any competent authority, institution or body, the right to inspect and copy Entity books and records to verify compliance with this Covenant of Compliance;
 - 4) acknowledges and accepts that in case of non-compliance with the Covenant of Compliance when using CDP funds, CDP may, in any case without prejudice of any contractual remedies provided in contracts, in finance documents or in other related or similar documents⁶:
 - a) require the Entity to provide any information and take all necessary remedial actions it deems satisfactory;
 - b) consider the Entity not to be eligible to be entered with CDP into future contracts and to receive new potential CDP funds;
 - c) seek whatever other remedy available under applicable laws.

CDP reserves the right not to enter any contract with an Entity that has not issued the Covenant of Compliance signed by a duly authorized person.

The undersigned is duly authorized to issue this declaration in the name and on behalf of the Entity and is aware that CDP will fully rely on the truthfulness, exactness, completeness and accuracy of this and the information contained therein

<i>Signatory name:</i>		<i>Role held:</i>	
<i>Place and Date:</i>		<i>Signature:</i>	

⁶ It being understood that if CDP enters a contractual agreement with the Entity and non compliance with the Covenant of Compliance also results in a breach of the representations, warranties, undertakings or other statements given or agreed in contracts, in finance documents or in other related or similar documents, CDP may be entitled to adopt the contractual remedies therein defined (e.g. in case of an investment transaction in shareholdings and in investment funds or other participation instruments, withdrawal from the investment or related partnerships).

C. AML/CTF STANDARDS

Without prejudice to any representations, warranties, undertakings or other statements given or agreed in contracts, in finance documents or in other related or similar documents, the Entity represents that it acknowledges and agrees the following principles and standards.

The Entity using CDP funds shall apply the principles and standards set out in European Union law on the prevention of the use of the financial system for the purpose of money laundering and terrorism financing, Directive (EU) 2015/849 and international best practices. Therefore:

Please tick the box to confirm principles and standards applied

☐	1. The Entity adopts risk-based measures to ensure that the risk of money laundering and terrorism financing associated with operations using CDP funds is low;
☐	2. The risk-based measures adopted by the Entity are consistent with the Financial Action Task Force (FATF) international standard (e.g. 40 Recommendations), which inspired the principles and standards hereby represented;
☐	3. Completion of KYC, including the disclosure of beneficial ownership information in accordance with Directive (EU) 2015/849, should be a condition precedent to any on-lending by the Entity using CDP funds;
	4. The Entity considers the geographical risk factors and shall in any case apply enhanced due diligence measures when the operations using CDP funds involve the following:
☐	a. high-risk third countries with strategic deficiencies identified according to Delegated Regulation (EU) 2016/1675 supplementing Directive (EU) 2015/849, taking into account information from the FATF but with the possibility to identify additional countries presenting strategic deficiencies in their AML/CFT regime;
☐	b. non-cooperative jurisdictions for tax purposes, as adopted according to the EU Council conclusions of 5 December 2017 and periodically updated.
	5. KYC measures enacted by the Entity with regard to the beneficiaries of operations using CDP funds (the "Beneficiaries") include at least:
☐	a. acquisition and evaluation of publicly available information on the Beneficiary's reputation and, if applicable, on the quality of the supervisory regime and anti-money laundering controls to which the same Beneficiary is subject;
☐	b. acquisition of information for clearly identifying the Beneficiaries' ownership structure, including the identification of ultimate beneficial owner;
☐	c. the acquisition of information to fully understand the nature of the Beneficiaries' activities.
☐	6. The Entity adopts risk-based measures to ensure that Beneficiaries can provide, upon request, any relevant information related to specific transactions. The Entity carefully assesses the completeness of the documentation and information received and considers any information gaps for the purpose of re-evaluating the Beneficiary's risk profile.
☐	7. The Entity adopts organizational and controlling measures to exclude that CDP funds can be used in the interest of individuals or companies included in any list of persons and/or entities target of asset-freezing or similar measures.
	8. Agreements between the Entity and local financial intermediaries (FIs) related to operations with CDP funds shall include the principles and standards contained in this document to be observed by the FIs with a duty to report on their observance. In this regard, the Entity:
☐	a. assesses the FIs anti-money laundering internal control system, acquiring appropriate documentation to ascertain the effectiveness of their anti-money laundering policies and procedures;
☐	b. ensures that the FIs apply risk-based due diligence measures to their customers; in particular, the Entity, based on publicly available information or acquired directly from the FIs, assesses the adequacy of the due diligence procedures adopted by the latter;
☐	c. is adequately informed through reports by the FIs' about the ultimate beneficiaries' identity as well as about the transactions carried out by them;
☐	d. acquires information on the geographical area of operations, making sure that all applicable rules and regulations, including principles and standards hereby represented, are respected also through the implementation of tools to identify any transaction that does not comply with such rules and regulations.

Section 2: TAX TRANSPARENCY

(below, CDP), with head office in Rome, via Goito n. 4 (00185), processes your personal data in its capacity as "Data Controller" in compliance with the provisions of law and informing you of the use of said personal data. The Personal Data Protection Officer can be contacted by writing to the email address privacy@cdp.it.

2. Sources and type of data processed

The personal data held by CDP are collected directly from the customers or from third parties, for example Public Administrations, Public Registers, Chambers of Commerce, Databases of private companies. The data processed by CDP can include personal information (*first name, surname, date of birth, address, image, sex, marital status, tax identification no., etc.*) and contact information. Furthermore, in complying with specific requirements relative to management of the business relationship (for example mandatory communications to the Authorities), and in the case of customer communications, CDP may process particular categories of data in accordance with art. 9 GDPR and data relating to criminal convictions and offences in accordance with art. 10 of the GDPR.

3. Purpose and legal basis of the data processing

The personal data are processed during the normal activity of CDP according to the following purposes: a) Purposes strictly connected with and instrumental to the establishment and management of relations with the customers pursuant to art. 6 paragraph 1 letter b) GDPR; b) purposes deriving from legal obligations, regulations, EU law, provisions issued by authorities authorized for the purpose by the law or by supervisory and control bodies pursuant to art. 6 paragraph 1 letter c) GDPR. Provision of personal data for the above purposes is necessary to finalize, carry out or continue the contract relationship with CDP.

4. Data processing method

In relation to the purposes specified, processing of the personal data is carried out by manual, IT and telematic instruments using logic appropriate for the purposes and, in any case, such as to guarantee the security and confidentiality of the data. Protection is ensured also in the presence of innovative instruments introduced by CDP.

5. Storage of personal data

Your personal data will be stored only for the time necessary for the purposes for which they are collected in accordance with the principle of minimization pursuant to art. 5.1.c) GDPR.

6. Categories of subjects to whom the data can be communicated

For pursuit of the above purposes, CDP may communicate your personal data to third parties if said data communication operations are instrumental to the services requested and provided. Your data may furthermore be communicated to managers of private credit information systems. Further communications will be possible to guarantors, if relevant to the existing guarantee relationship. Your data may furthermore be communicated to companies forming part of the group, for administrative and accounting purposes, and to third parties in compliance with legal requirements. The subjects belonging to the above-mentioned categories perform the function of Data Supervisor or operate totally autonomously as distinct Data Controllers.

7. Transfer data outside the EU

CDP will carry out the processing in accordance with the procedures permitted by the current law, such as consent of the Data Subject, adoption of standard clauses approved by the European Commission, selection of subjects adhering to international programs for the free circulation of data or operating in countries considered safe by the European Commission.

8. Rights of the Data Subject

You are informed that art. 15-22 GDPR entitle the Data Subjects to exercise specific rights. These rights can be exercised by request sent by post to Cassa depositi e prestiti S.p.A., via Goito, n. 4, 00185 Rome, att. Personal Data Protection Officer, or by email directly to said Officer, at the contacts provided in point 1. The Data Subject also has the right to raise complaints with the Italian Data Protection Authority.
