Cassa depositi e prestiti (CDP) is the National Promotional Institution that has supported the Italian economy since 1850. It finances public investments, nurtures international cooperation and is the catalyst for the country's infrastructure growth. It backs Italian enterprises, helping them innovate and grow, while fostering their exports and international expansion. As the primary operator in social and affordable housing, CDP contributes to the growth of the Italian real estate sector and promotes urban transformation. CDP's important stimulative role in Italy's economy is evident in its 2016-2020 Business Plan. During this five-year period, CDP will inject €160 billion, plus over €100 billion through public and private funds, into the economy to help drive Italian growth.
