

**CDP, perfezionato insieme a KFW e FEI investimento  
in operazione di cartolarizzazione di crediti PMI**

Roma, 4 dicembre 2015 - Cassa depositi e prestiti (CDP), KFW e il Fondo europeo per gli investimenti (FEI) consolidano il proprio sostegno alle piccole e medie imprese italiane: i tre istituti hanno perfezionato oggi un'operazione di investimento garantita dal FEI su una tranche mezzanina nell'ambito di una più ampia operazione di cartolarizzazione di crediti gestita da Alba Leasing - una delle principali società di leasing in Italia.

L'investimento punta a garantire liquidità alle PMI, vera e propria ossatura del sistema produttivo nazionale.

L'operazione - prima nel suo genere per CDP - amplia ulteriormente lo spettro di azioni che la Cassa schiera a favore delle imprese, aggiungendosi sia al ruolo tradizionale di finanziatore, sia a quello di socio che investe nel capitale di rischio. Per CDP si tratta della prima operazione con il FEI nonché con KfW in qualità di co-investitore sul mercato dei capitali.

L'investimento odierno è il primo risultato dell'attività di un Gruppo di lavoro internazionale promosso dalla Commissione Europea nell'ambito del Piano Juncker. Guidato da FEI e KfW, il gruppo riunisce le banche di sviluppo europee (NPI), tra cui CDP, e si pone come obiettivo di intervenire nell'ambito della realizzazione di operazioni di cartolarizzazione finalizzate a sostenere le PMI in Europa attraverso il ricorso al mercato dei capitali.

**CDP, EIF and KFW Jointly Invest in Cash Securitization for Italian SMEs**

On December 4th 2015 Cassa Depositi e Prestiti (CDP), KfW and the European Investment Fund (EIF) jointly invested in a mezzanine tranche of a cash

securitization of lease receivables extended to small - and - medium-sized enterprises (SMEs) located in Italy. The operation was originated by Milan-based Alba Leasing, one of Italy's top leasing companies.

The EIF and KfW jointly lead a working group, consisting of EIF and National Promotional Institutions - among which the Italian CDP - on the subject of "SME Securitisation in Europe". The objective of this working group is joint participation in SME transactions by coordinating and strengthening their activities. The working group defines standard procedures and minimum criteria under which the respective promotional institutions are generally willing to participate in securitisation transactions and beyond that, it also discusses with the European Commission the option to deploy funds out of the European Fund for Strategic Investments for this purpose.

This joint investment - the first of this kind for CDP - is a pilot of the enhanced cooperation between the EIF and NPIs for revitalizing the SMEs Securitisation market in order to support the financing of the real economy via capital market instruments and to catalyse resources from the private sector in the spirit of the European Fund for Strategic Investments in order to achieve a much wider outreach in support of SMEs.
